BEST SUMMER EVER
SUMMER DAY CAMP 2020
The Granite YMCA
Goffstown | Manchester | Londonderry
Welcome to summer at The Granite YMCA. We provide affordable, quality summer experiences with convenient options such as extended camp hours, transportation, and sibling discounts. Whether you’re considering a traditional day camp, a specialty camp, or one of our overnight camps, summer at the Y is filled with excitement, adventure, new friends, lifelong memories, and most of all, discovery! With camp programs based on the Y values of caring, honesty, respect, and responsibility, we provide children with a priceless experience in a safe and supportive environment where their safety is our top priority.

There are few unique environments as special as camp, where kids become part of a community and form friendships as they learn both how to be more independent and how to contribute to a group as they engage in physical, social, and educational activities every day. Amidst all the fun of swimming, sports activities, archery, and creative arts, children develop attitudes that build character and promote leadership. At the Y, we feel that every child should be given the opportunity to experience summer camp. That is why we offer more than 30 camp programs at five different Y locations across NH.

YOUR CHILD’S SAFETY
Camper safety is our top priority. The majority of our summer staff come from our before and after school programs, so they may already be familiar faces to your child. All staff receive reference and criminal background checks in addition to undergoing extensive summer camp training. Our counselors develop competencies in team building, character development, conflict resolution, emergency procedures, child abuse awareness and prevention, CPR, first aid, and age appropriate activity planning.

CAMP DIRECTORS AND COUNSELORS
YMCA staff are selected based on their expertise, background, and their strong desire to work with children. Our staff come to work each day motivated to provide your child with a safe and fun experience.

SPECIAL ACCOMMODATIONS
The Granite YMCA strives to provide all campers with a safe and positive camp experience. Parent communication is key to the success of each and every camper, so if your child requires extra support, please set up a meeting with the camp director at your local Y prior to registering.

MORE CAMP INFORMATION
Additional information including policies, procedures and the packing list can be found in the Parent/Guardian Handbook available on our website at www.graniteymca.org/camps/what-you-need-to-know.

A YMCA MEMBERSHIP PROVIDES ACCESS TO FACILITY MEMBER CAMP RATES & CAMP SWIMMING LESSONS

To be eligible to pay the reduced facility member camp fees, your child(ren) must have and sustain an active Y membership from the time of registration through the camper’s last session. Memberships may be purchased online or at your local branch. Terminating the membership prior to the end of the camp season will result in the price of the remaining camper weeks increasing to the Community Member (CM) rate. If you wish to terminate your child’s membership at the end of their camp season, you may either stop by the Welcome Center desk to complete a termination form, send an email to membership@graniteymca.org, or write a letter with your request. Terminations must be submitted in writing 30 days prior to the scheduled deduction. Annual members will receive the balance of the unused portion of their membership. Please note, while it is not required to have a membership to register for camp, it is beneficial and more economical to have a youth or family membership if you are registering for four or more weeks of camp.
AUTO DEDUCT POLICY
All camp payments must be made via automatic deduction from a credit/debit card or checking/savings account. A payment schedule will be emailed to you at the time of your registration confirmation. Should any charge or draft be returned or refused by the credit card or bank for any reason, the customer is responsible for that payment, plus the $20 service charge applied by the Y. This is in addition to any service fee charged by the financial institution.

EARLY ENROLLMENT PAYMENT OPTIONS
Register by February 18 and pay only the registration fee and Facility/Family Membership fee (if applicable) upon registration. No deposits required! You must provide a credit/debit card or checking/savings account for weekly auto deduct payments.

Weekly auto deduct payments are scheduled at the time of registration to begin within five business days, and continue until three weeks prior to the start of each camp session in order to make your weekly payments as low as possible. Swim Tests
Swim tests are an important part of keeping our campers safe during summer camp. While lifeguards are on duty during all swim sessions, campers are tested to assure they are swimming in the appropriate section of the pool based on their ability. Here is a description of our swim classifications and requirements based on the Test Mark Protect program of the YMCA of the USA:

Red: non-swimmer/beginner; could not complete the yellow test or refused swim test; will wear a camp-provided floatation device when swimming and will remain in shallow water.
Yellow: shallow water swimmer; can swim half the length of the pool with face in the water; tread water/float on back for 30 seconds; no floatation device required to swim and will remain in shallow water.
Green: deep water swimmer; can swim full length of the pool with face in the water; tread water for 1 minute and float on back for 30 seconds; jump into deep end and swim to ladder/wall; may use entire pool; no floatation device required.

We are offering the opportunity for campers not currently enrolled in YMCA swim lessons or child care to complete a swim test before camp begins. This will decrease the amount of time spent at camp during the summer conducting swim tests and increase the amount of time your camper will have to swim. Campers are allowed to retest during the summer as their swim ability improves.

Please help us out by scheduling your camper’s swim test soon. Watch for information on dates and times in the confirmation packet you will receive when you register for camp and in your email inbox. Thank you for your anticipated cooperation!

Teen Trip Camp | Grades 6+

Teen Trip is more than just a camp, it’s a summer vacation! Teens will spend their summer traveling the northern New England area exploring all the fun adventures it holds. From boogie boarding at the beach and sliding down the natural water slides of the White Mountains to making the plunge down Bizarro’s 221 foot drop at Six Flags New England and enjoying an occasional cookout, there is never a dull moment at camp!

Teens will be assigned to one of two trip experiences: Level 1 or Level 2. Teens assigned to Level 1 will spend their day with our adventure seeking staff and other teens. Level 2 allows teens to explore our destination with fellow teens and they are given designated check-in times throughout the day. If you have further questions about our two options, please contact the Teen Trip Director. Please see the parent handbook for further explanation of different levels.

Please be advised that in the event of inclement weather or other unforeseen circumstances our trips are subject to change at short notice. However, the fun is never in short supply!

For the most up-to-date schedule of trips, please visit our Welcome Center at the YMCA of Greater Londonderry or visit our website at www.graniteymca.org/camps. Please note that our trips are subject to weather and other forces beyond our control and therefore can change at the last minute. Emails will be sent out in event of a change of destination or activity.

**Leader In Training (LIT) | 14 years**

The Leader In Training program is designed to build leaders both at camp and within their community. LIT’s will participate in a number of activities that are aimed at building their own unique leadership skills, team building, values sessions, positive role modeling and problem solving. They will be with our CIT/LIT director throughout the 4-week session. LIT’s are not directly assigned to units with other campers like the CIT’s but will instead assist program specialists gaining experience and confidence in leading activities. By the end of their 4-week session, they will have the leadership skills necessary to become YMCA of Greater Londonderry community champions! Max enrollment is 12. Interested candidates should contact the camp director at gbrickley@graniteymca.org. Please visit www.graniteymca.org/camps to download an application.

**Weeks 5 – 8: July 13 – August 7**

Full Time: $500

**Counselor In Training (CIT) | Ages 15 – 16**

The Counselor in Training program helps prepare teens who are interested in working with children. During the first 4 weeks of the program, CIT’s will be brought through safety and leadership trainings. The next 4 weeks, CIT’s will experience various roles in camp including assisting counselors in units, guiding campers in activities with the assistance of a specialist or specialty camp, and other assigned activities. The CIT/LIT director will connect with the CIT’s throughout their summer giving them guidance and feedback, written evaluations, and support. The valuable experience gained in the CIT program is often used on college entrance essays, for community service, and future employment with the YMCA or community. Outstanding CIT’s will be considered for employment as a counselor once they turn 16. Max enrollment is 10. Interested candidates should contact the camp director at gbrickley@graniteymca.org. Please visit www.graniteymca.org/camps to download an application.
