THE GRANITE YMCA
DROP OFF/PICK UP PROCEDURES

Drop Off Process
During check-in staff will conduct a COVID screening:
- Staff will look for flushed cheeks, rapid breathing, fatigue, fussiness, cough, stuffy nose
- Parents and campers will answer screening questions regarding possible exposure

Only campers will get out of the vehicle for curbside pick up and drop off (preferred)

Parents/guardians will be advised to apply sunscreen and insect repellent at home

Only staff will handle clipboards or other devices used to record drop off/pick up

Late Drop Off
- There will be a staff person located at the drop off/pick up area throughout the day
- Staff will greet the parent/guardian and camper
- Perform the COVID screening
- Alert the office a camper has arrived
- Another staff member will bring the camper to his/her group; this staff member will wear a mask

Pick Up Process
- Staff will check parent/guardian photo identification at the vehicle
- Parent/guardian will remain in the vehicle
- Camper will be called to the vehicle
