THE GRANITE YMCA
COVID-19 DAY CAMP GUIDELINES

Staff will be required to wear masks
• During drop off/pick up
• During health screenings
• In situations where they may have extended close contact with campers

Campers are not required to wear masks but may wear them if they choose to

Campers and staff will be screened before entering camp and again at midday

Entering camp:
• Temperature check
• Screening questions
• Check for symptoms: flushed cheeks, rapid breathing, fatigue, fussiness, cough, stuffy nose

Midday:
• Temperature and symptom check

Sanitizing of equipment, supplies, and surfaces will be constantly and consistently enforced using CDC approved cleaning solutions

Only campers and staff will be allowed into camp; all visitors will be approved by the camp director or designate and wear a mask while in camp

Staff and campers who are sick will be required to stay home or be sent home if they show symptoms

Promotion of Health Practices
• Place handwashing/sanitizing stations throughout camp
• Constant reinforcement of health practices
• Frequent hand washing/sanitizing
