### Description

At Camp Namoskeag, campers spend the summer both indoors and outdoors participating in fun and enriching activities including trips to the local parks where they participate in sports and non-competitive gym games through the CATCH Program (Coordinated Approach to Child Health). Campers will also enjoy a wide variety of activities such as swimming, STEM (science, technology, engineering, and math), creative arts, and more! Dedicated to helping develop the whole child—physically, intellectually, and socially we will also focus on health and wellness through instruction on nutrition and ways to promote a healthy lifestyle. Throughout the summer, campers participate in special themed camp events and learn unique camp traditions. Every week campers have the opportunity to be recognized for displaying our four character values; honesty, caring, respect, and responsibility. At Camp Namoskeag, every day is a new adventure.
