

# CHILD CARE REFERRAL FORM

## SCHOOL AGE CHILD CARE & EARLY LEARNING CENTER

We appreciate the trust and confidence that you place in us each day. When you spread confidence in our Child Care Programs through referrals to other parents/guardians, you will receive **1 WEEK OF FREE CARE** for your oldest child in The Granite YMCA Child Care Programs. Here is how it works:

1. Complete the Child Care Referral Form and give it to your director. We take care of the rest!
2. After the new family has enrolled at any\* of our Child Care Program locations and stay for at least two weeks, you'll receive a week's free tuition for your oldest child.
3. You can refer as many families as you'd like to earn more. Every time a child is enrolled as a result of your recommendation, you'll get **1 WEEK OF FREE CARE** for the 2020 - 2021 school year!
