VIRTUAL LEARNING + ENRICHMENT PROGRAMS

The Discovery Academy of the Y (DAY) is a daily program for students to conduct their remote learning as assigned by their schools with the guidance of YMCA instructors. It’s a supportive alternative to at-home online learning where essential health and safety guidelines are rigorously practiced.

When learning hours are completed, traditional enrichment programs kick into high gear including crafts, STEM, games and various physical activities. Financial assistance is available.

Students should bring their laptop/chromebook, headphones, face mask, water bottle and cold lunch.
