Cardio Classes

Begin To Spin: Learn how to properly set up your bike, adjust resistance, and follow basic cycling cues to help you feel confident and prepared for a full workout.

Burn & Stretch: 30 minutes of HIIT/30 minutes of stretch.

Cardio Core: First half of the class is cardio using the entire gym space followed by mat core work.

Cardio Kickbox, Bands, & Barre Fusion: This class not only gets your heart pumping with cardio, but also promotes long, lean muscles through band and barre exercises. Tone your whole body and increase your metabolism

Cycle & Core: 45-minute cycling class followed by fifteen minutes of core and stretching.

Cycling: Work at your own pace. Class starts with a warm-up and then progresses through a series of routines, ranging from hill work to sprints, all set to motivating music!

Cycling Intervals & Arms: Cycling intervals class that will increase your endurance and torch calories while building muscle. Class ends using light weights targeting the upper body.

Lunch Crunch: Take a break from your workday and join this 30 min. strength and core class to increase muscle, balance and flexibility while reducing stress in your work week. Equipment and class structure vary weekly for fun and variety. All levels and abilities welcome.

Power Hour: Focus on various functional fitness elements including cardio, strength, balance, and flexibility in this fun, but challenging class. A variety of equipment will be used each week.

Rhythm Ride: A high energy, beat-based cycling class where we ride together to our favorite songs and match every movement to the rhythm.

Step & Strength: This class combines progressive step routines with resistance training for a complete cardio and strength workout. A variety of equipment including steps, dumbbells and bands will be utilized to get your heart pumping and leave no muscle untouched!

Swing & Sweat: This is a fun, beginner-friendly dance fitness class featuring East Coast Swing, Foxtrot, Waltz, West Coast Swing, and more, where you will learn basic steps, try both leading and following, and get moving-no partner or experience needed.

Zumba: Dance away stress and burn calories in an energized, welcoming environment. Routines are inspired by a number of dance styles including Latin, Greek, Indian and even hip-hop!

Strength-Based Classes

Ignite360: Push past your limits in this high-intensity, performance-driven workout. Designed for advanced participants, this class challenges your strength, endurance, and agility in a competitive environment. Awaken your inner athlete and take your training to the next level. 45 minutes

Altern8: This class alternates week to week between cardio and strength, with two instructors each bringing their specialty to the class.

Circuits: 55 straight minutes of strength, cardio and body-weight fitness. Bring your water!

Smart Strength: An all-levels class focused on building total-body strength using weights, bodyweight and bands, with an emphasis on proper form and controlled movement.

Strength & Core: Both full-body functional exercises and isolated-combined movements give you a complete body workout. Class utilizes weights and a variety of accessories. Open to beginners.

Mind-Body/Low Impact Classes

Live Y'ers! A mixture of Cardio and Strength with modifications. Increase heart rate, build strength and focus on core and balance. Chair, floor and standing

Gentle Yoga: A slower-paced and more restorative form of yoga, suitable for participants seeking a mindful, low-impact practice.

Pilates: Condition both mind and body in this total-body toning class. Build long lean muscles, improve posture and reduce stress - it's the perfect combination!

Silver Sneakers: Create stability and strength through this lower impact chair and standing fitness class for any age.

Stretch/Flexibility: Upper and lower body stretches to stretch what's tight and strengthen what's weak.

Stretch & Flow: This class connects breath work with movement to help increase flexibility.

Yin-Yang Yoga: Movements reflect the balance between hard/soft, slow/fast, and expanding/contracting techniques.

Yoga: Experience a gentle-to-moderate, welcoming practice designed for all fitness levels. A variety of poses and sequences will be explored.

Vin to Yin: First 30 minutes of class will consist of Vinyasa flow, focusing on strength, balance and connecting movement with breath. The second thirty minutes, is a slow stretch series, holding poses for 3-5 minutes.
