EXERCISE CLASS DESCRIPTIONS

Cardio Classes

Cycling: Work at your own pace. Class starts with a warm-up and then progresses through a series of routines, ranging from hill work to sprints, all set to motivating music!

Gentle Cycling: This 30 minute gentle cycling class is designed for beginners and older adults who are looking for a low-impact cardiovascular workout, set to motivating music.

Dance Barre Fusion: This Dance Barre Fusion class incorporates a fun blend of dance movements and traditional Barre strength exercises for an excellent full body workout.

Inspiration & Fitness: This fun class combines cardio movements including drumsticks, kickboxing, circuit training and strength training while having words of inspiration spoken over you throughout the class to encourage you.

Low Impact: Burn calories and keep your heart strong with this joint-friendly workout. Routines are designed to increase heart rate and provide a workout without high impact.

SHiNE Dance Fitness™ brings original routines to life using hit music and choreography for all abilities. Rooted in jazz, ballet, and hip-hop, a SHiNE workout gives you a creative outlet to escape from daily stress. Each class includes the perfect balance of cardio and toning to ensure you receive a full-body workout. SHiNE is a mood-lifting experience that leaves you feeling capable, confident, and connected.

Step & Strength: Get your heart pumping with a variety of easy-to-follow and progressive step routines. Resistance training exercise will be incorporated for an efficient total-body workout.

Strength & Conditioning: Focus on various functional fitness elements including cardio, strength, balance, and flexibility in this fun, but challenging class. A variety of equipment will be used each week.

Ultimate X: This interval-style class uses high-intensity cardiovascular exercise, plyometrics, and body-weight strength to improve overall conditioning

Zumba: Dance away stress and burn calories in an energized, welcoming environment. Routines are inspired by a number of dance styles including Latin, Greek, Indian and even hip-hop!

Zumba Gold®: Burn calories in this stress free, energized low-impact dance workout. This class is targeted towards active seniors, beginners and others needing modifications in their exercise routine.

Zumba Toning®: Combine high-energy motivational music with unique moves and combinations that allow participants to dance away their stress. This class includes total body strength exercises using light weights throughout the class.

Strength-Based Classes

Core Express: Enjoy a quick class designed to build core muscle groups while improving posture through performing a variety of exercises that strengthen the abdomen and back muscles.

15/15/15: This class combines 15 minutes of aerobics, 15 minutes of strength training, and 15 minutes of core exercise into one singular workout. The class will push your entire body, working you out in ways you haven't been worked out before.

Gentle Power: Join this class to increase muscular strength and range of movement.

Maintenance & Recovery: This class focuses on exercises that will prepare the body's tissues for everyday life as well as improve overall function. Whether you're coming off of an injury or want some tips to get you back on track this class will get you there. Areas of focus include wrist and upper limb conditioning (i.e. elbow and shoulders), lower body conditioning for ankles, knees and hips as well as spinal exercise. Lots of the movements performed are mobility exercise to improve strength as well as flexibility.

SilverSneakers Classic: Move through a variety of exercises designed to increase muscular strength, range of movement and skills required during Activities for Daily Living (ADLs). Hand-held weights, elastic tubing with handles and a ball are offered for resistance. A chair is used for seated and/or standing support.

Strength Train Together: This is a one-hour, cutting-edge strength training workout designed to get you muscle strong and movement strong. It combines traditional strength training with full-body, innovative exercises using an adjustable barbell, weight plates, body weight, a step, heart-pounding music, and expert coaching. GET MUSCLE & MOVEMENT STRONG!

20/20/20: This class combines 20 minutes of aerobics, 20 minutes of strength training, and 20 minutes of core exercise into one singular workout. The class will push your entire body, working you out in way you haven't been worked out before.

TRX/ Upper Body: Using TRX Suspension Trainers, you will leverage gravity and your own bodyweight to perform a variety of different exercises. Suspension training exercise develop strength, balance, flexibility and total body mobility to improve activities of daily living! TRX Upper Body focuses mainly on upper body exercises.

Mind-Body/Low Impact Classes

Foam Rolling: Release tight muscles, connective tissue (fascia) and trigger points with foam rolling.

Gentle Pilates Fusion: Revitalize your body, relax your mind, and reduce stress with slow, gentle Pilates exercise to increase your strength and flexibility. Idea for beginners of any age or physical condition or experienced students who want a slower paced, less strenuous class

Pilates Fusion: This class offers a unique blend of Pilates and yoga designed to strengthen the core, improve muscle tone, and increase flexibility

PiYo™: Lengthen and strengthen muscles using your own body weight during this high-energy, but low-impact workout. This class combines core power moves from Pilates and flowing, strength-building sequences from yoga for total-body conditioning.

Yoga Fit, Body & Mind: Embrace this all levels practice that unites body and mind. "Feel" the pose, the stretch and the movement. No expectations, just meet your body exactly where it's at.

Yoga for a Flexible Mind: Yoga is more about a flexible mind than a flexible body and is achievable for everyone. Embrace the tried-and-true practice of yoga, cultivating a sustainable body and mind that supports mobility, longevity, and physical and mental health stability. Restore and revitalize during this adjustable practice!
