Mandated Reporter New Hampshire law (RSA 169-c: 29-31) requires that any person who suspects that a child under the age of 18 has been abused or neglected must report that suspicion immediately to New Hampshire Division for Children, Youth, and Families (DCYF). All Y staff are required to be trained in Child Abuse Prevention.

The staff may not notify parents/guardians when the police or DCYF are called about possible child abuse, neglect, or exploitation, except on the recommendation of DCYF or the police.

CAMP SAFETY AND STAFF TRAINING

Camper safety is our #1 priority. The majority of our summer staff come from our before and after school programs, so they may already be familiar faces to your camper. Our staff are selected based on their expertise, background, and their strong desire to work with children. They are motivated to provide your camper a safe and fun camp experience. Reference and criminal background checks are completed on all staff members. All staff undergo extensive summer camp training. We cover topics such as team building, character development, conflict resolution, emergency procedures, child abuse awareness and prevention, CPR, first aid, and age-appropriate activity planning.

OUTSIDE ANY Y PROGRAM

Staff are not allowed to be alone with any campers they meet in any Y program beyond a Y program setting. Babysitting, sleepovers and inviting a staff member to a camper's home are prohibited.

REQUIRED PAPERWORK

All your required forms will be attached to your YMCA account. Once you have registered your child(ren) for day camp you will receive an email to complete the required forms.

Any camper without their account reflecting 100% completion on the first day of camp will not be permitted to stay on camp premises until all of the information and required documents have been uploaded to the campers account. Your camper must have a complete physical within the last two years (one year for campers under the age of 6) and record of all immunizations received to date. A camper may be exempt from immunizations for religious beliefs and/or medical reasons. Please contact the camp director if you have questions regarding this policy or visit <https://www.dhhs.nh.gov/programs-services/disease-prevention/immunizations/immunization-exemptions-children>.

MEDICATIONS

The Authorization to Administer Prescription and Non-Prescription Medication form must be completed and **signed by your/a physician** prior to the administration of

any prescription or non-prescription medication. Medications will be administered in accordance with the printed prescription label, which must be attached to the original prescription container.

Non-prescription medication must be in its original container, and will be administered in accordance with the physician's instructions. If there are no manufacturer's printed instructions for the age of the camper, the program may administer the non-prescription medication in accordance with the written, dated, and signed instructions including a statement that the instructions have been reviewed/approved by the camper's licensed health practitioner, or with signed, dated, written instructions from camper's licensed health practitioner.

FIRST AID | EMERGENCY CARE POLICY

CPR and First Aid Certified staff will always be available on-site. All staff members are trained and informed of the policies and procedures to follow in the event of injury or illness. The staff will take the following steps if your camper requires emergency care:

- Attempts to contact the parent/guardian
- Attempts to contact any emergency contacts listed on your forms
- If we cannot contact you, or in a life-threatening situation, we will call for an ambulance and your camper will be transported to the hospital in the company of a director

WHEN YOUR CAMPER IS NOT FEELING WELL

Please do not send your camper to camp if they is not feeling well. If your camper is not feeling well enough to participate in camp activities, we will contact you to pick up your camper as soon as possible. Please notify us if your camper has a communicable disease such as chicken pox, head lice, conjunctivitis, etc. Any camper suspected to have any of these communicable diseases will be sent home immediately. Campers may return to camp once they have been on medication for a 24-hour period and have obtained a doctor's note. Campers with head lice may return to camp once treated and nit free.

CONFIDENTIALITY

Your camper's records are kept private at the branch and stored electronically. Parents/guardians who have legal custody have the right to see their camper's records at any time. There are certain situations and paperwork that will require a court subpoena to accommodate requests.

REGISTRATION CHANGES/CANCELLATIONS

FINANCIAL ASSISTANCE

Thanks to generous donations from Y families, staff, camp alumni, local businesses and donors, financial assistance is available for families who may not be able to afford a day camp experience for their child. Start the application process as soon as possible as funds are limited. Complete the registration form, marking sessions you would like your child to attend. Check the box indicating you would like financial assistance. A financial aid application with supporting documents will be required which can be found online or at your local branch. Please note that recipients of state reimbursement are not eligible (see below). Enclose the day camp registration form, registration fee, and facility membership fee (if applicable) with the 10% deposit per session and forward to the Y. Our camp registration staff will contact you to discuss financial assistance options.

STATE OF NH REIMBURSEMENT

LUNCHES AND SNACKS

We keep the campers very busy, and they need proper nutrition to participate at their fullest potential. Please send plenty of healthy foods and two drinks in non-breakable containers. Please no candy, soda or energy drinks. We do not have refrigeration or heating facilities, so please do not send food requiring microwaves or refrigeration. We suggest a mini cooler with an ice pack. Frozen juice boxes and water bottles make great ice packs and provide cold drinks when thawed.

Once a week, some camps provide lunch such as pizza or a BBQ. Please check your camp to see if lunch is offered, what type of lunch is offered. **Camps that run until 12:00 pm do not need to bring a lunch but need to pack a snack and water bottle for your camper who attends half-day.**

CARRY-IN | CARRY-OUT POLICY

The Y has adopted a carry-in/carry-out policy similar to that of the New Hampshire state parks. This means that anything a camper brings into camp including plastic bags, juice boxes or uneaten food, they bring back home.

WEATHER POLICY

We run our camp programs rain or shine. We ask that you send your camper to camp in gear appropriate for the days weather and activities. In the case of severe weather such as a heavy rain or a lightning storm, all campers and staff will be brought to a safe indoor location. This may result in not being able to complete all intended activities but new innovative activities will be added to supplement the camp day.

LOST AND FOUND

It is important to label all of your camper's possessions with their first and last name; water bottles, towels, backpacks, clothing, lunch bags, etc. Although Y staff will do their best to remind camper's to keep their items together, the Y is not responsible for lost items. It is easier to return items when your camper's name is on them. Please check lost and found daily to reclaim lost items.

SUNSCREEN PROTECTION

It is strongly recommended that parents/guardians apply sunscreen to their camper each morning. Your camper should bring a bottle of sunscreen to camp each day (spray is preferred to enable counselors to assist with application). Throughout the day, counselors will remind the camper to reapply the sunscreen. School age children are expected to apply their own sunscreen. If your camper is particularly sensitive to the sun, a hat and SPF clothing may also be appropriate. In this case, please remind your camper to keep their hat on throughout the day.

CODE OF CONDUCT

The Y has a clear responsibility to protect the camper in the programs and to promote the Y mission. The staff are required to adhere to a very stringent code of conduct that is reviewed during staff training. In support of this responsibility, this code of conduct governs the behavior of all individuals involved in Y programs. Staff, parents/guardians, campers, and visitors shall be responsible for conducting themselves in such a way as to respect the rights of others, assist in creating a bully-free environment and model the YMCA core values of caring, honesty, respect and responsibility.

CHARACTER DEVELOPMENT PROGRAM

At the Y, we encourage and strive to help develop our four core values of caring, honesty, respect and responsibility in our participants. Understanding and displaying the Y's core values are vital to our commitment of offering a safe, fun and nurturing experience for all. In day camp, our Character Development program recognizes children as a "Character Rockstar". We provide recurring recognition through daily shoutouts, weekly certificates and a t-shirt. At the end of the day camp season, all Character Rockstar winners are invited to a celebration at the Y honoring their hard work.

CAMPER SUCCESS & SAFETY PLAN

The Granite YMCA staff uses positive, supportive techniques that are developmentally appropriate for each camper, as well as adhere to our four Core Values – Caring, Honesty, Respect, and Responsibility. Our programs offer activities that can vary in group sizes and intensity, and are not intended to support individual, one-on-one care.

We believe that each party has a responsibility to the development and success of each camper. Please take a moment for the parent/guardian and camper to review this together prior to attending camp programs.

PART A – Our commitment to supporting camper success:

- Develop program rules and expectations that are clear, consistent, equitable, and age-appropriate.
- Create a predetermined schedule for the day/week for their group, weather permitting in most cases.
- Provide a wide variety of age-appropriate activities to keep campers busy and engaged all day, which may include low-intensity activities (arts and crafts) and high-intensity activities (sports).
- Supervision by trained staff, with smaller camper-to-staff ratios than is typically found in the classroom.
- Use natural and logical strategies when coaching campers to more acceptable behaviors or redirecting to another activity.
- Model and encourage behaviors that support the YMCA's four core values (Caring, Honesty, Respect and Responsibility).
- Practice and teach peaceful conflict resolution and interpersonal skills that empowers solving and regulating social and emotional matters effectively.
- Create intentional opportunities for children to express thoughts and feelings in a safe and judgment-free environment.
- Support bringing the parents/guardians and the camper(s) together before the camp season as needed to review any special accommodations that we can potentially support.
- Continue collaboration during the camp season to process successes/challenges and thoughts/feelings that may have come up during the camp day.

PART B – How parents/guardians can support camper success:

- If your camper has any support plans and/or accommodations that they may use during the academic year, please connect with your Camp Director to meet and discuss. We welcome the opportunity to build a Camper Success & Safety Plan for your camper this summer. (Additional camp leadership may be present to support.)
- Request a tour of your camp with the camp director to see the potential spaces and places that activities take place.
- Review daily group dynamics from the Camp Director with your camper (small group, combined group, all-camp group)
- Discuss the potential daily/weekly schedule with your camper.
- Ensure that your camper has everything they will need for camp each day, and leave anything that should not be brought to camp.

PART C – Camper Support Steps:

When your child is at camp, they will review both the camp's and their group's rules each day, and possibly some activity-specific expectations as they move from one activity to another. Our goal is to help campers thrive and grow in personal development and social settings. Therefore, as a part of our camp training, we review the developmental stages of the ages of campers that we serve and recognize most behaviors are considered age-appropriate. Should we observe behaviors that are not aligned with the rules and expectations, we will coach them through these moments and the appropriateness at camp. Our approach is listed out below in a progressive order, however, camp leadership has the discretion of advancing the course of action as necessary.

1. Age-appropriate conversation with the camper about their actions (connected to a core value) – allow camper to explain – discuss how we can express differently next time – continue with activity.
2. Redirecting the camper to another activity or opportunity.
3. Verbal communication with the parent/guardian regarding the camper's day.
4. A break from camp activities.
5. Written documentation of the camper's day.
6. Camper Success and Safety Plan implemented.
7. Behavior Notification
8. Suspension
9. Termination

Some examples of behaviors that may warrant an escalated response, such as a behavior notification or suspension, in the list above are:

- Bullying (as outlined in our "Definition of Bullying" section)
- Slurs
- Cursing
- Fighting
- Behaviors warranting constant attention beyond group ratios
- Abuse towards staff and/or disregarding of rules and expectations
- Inappropriate conversations for camp
- Harassment of any kind
- Taking/damaging other's property
- Leaving activity area/camp
- Jeopardizing the health and safety of oneself or others
- Causing physical or emotional harm towards oneself or others

TERMINATION – Why might a termination from the program happen?

In our youth programs, we strive to make reasonable efforts to assist children in adjusting to the program environment, as well as support our families with program and community resources to encourage positive social and emotional development. If a child is steadily struggling to adjust to the program structure or adhere to the rules and expectations, they may be unable to return to the program. While we attempt to work through struggles with the camper and parent/guardian, the program leadership reserves the right to excuse the child early due to consistent, disruptive (verbal or physical in nature) behavior. In the case of a suspension or termination from the program, refunds are not provided.

DEFINITION OF BULLYING

Behavior by an individual or group, usually repeated over time that intentionally hurts another either physically or emotionally. Three conditions used to define behaviors as bullying:

- repetitive, willful, or persistent
- intentionally harmful

- an imbalance of power leaving the person feeling defenseless

These may include:

- taunting
- spreading rumors
- excluding others from groups
- kicking, hitting, or pushing

CHILDREN WHO LEAVE PROGRAM

The staffing structure and physical layout of our program space requires that all children stay with their group. We have established very strict policies for the rare occasion when a child might leave the group. Children who leave the group, but who remain on site may be suspended. If a child leaves the premises, we will call the police to help us locate the child and take disciplinary action from there.

PERMANENT WITHDRAWALS

The Y reserves the right to permanently suspend a camper at anytime. Reasons may include but are not limited to: non-payment or habitual insufficient funds, continued disciplinary actions with a camper, parental or camper abuse of staff members, actions or behaviors by a camper that has or could severely harm themselves or another camper or any other reason that is deemed fit by the director and the executive director.

PARENT/GUARDIAN | STAFF COMMUNICATION

Leadership staff are usually present and available to talk during check-in/check-out times which is a great opportunity to communicate any concerns regarding your camper's time with us. Any special needs or challenges your camper may be having at home may impact their experience while at camp. Please keep us advised of such circumstances prior to their arrival so we may provide the best possible day camp experience for your camper. To ensure the safety of your camper any custody issues must be discussed with a director prior to your camper's start date or upon occurrence. Legal documents from the court system are required and should be submitted anytime there are custody changes.

PHOTOGRAPHING CHILDREN

Y staff photograph and/or record children for various reasons such as promotional materials, Facebook, program brochures, and character rock stars. If you do not wish to have your child's photograph utilized for print or electronic promotional purposes, you must give a written request to the program director.

DROP OFF AND PICK UP

The parent/guardian is responsible to sign their camper in and out daily. Any adult who picks up a camper must be listed on that camper's authorized pick-up list on account. A photo ID is required every day for each adult who picks up a camper. This is for the

safety of your camper. If another adult will be picking up your camper, please write a note to the staff informing them of the date, time and who is responsible for pick-up. If you would like to add a new individual to or remove an individual from your authorized pick-up list, you can do so in your account at any time.

PLEASE NOTE

- If a camper will be picked up before 4:00 pm, please write a note and/or call the camp staff informing them of the time and who is responsible for pick up.

LATE PICK UP

Please note that a late pick-up charge of \$15 will be assessed 15 minutes beyond the scheduled camp closure time. After the first 15 minutes, the charge of \$5 per every five minutes is charged. The individual who picks up the camper will be expected to sign the late fee slip and payment will be billed to the account on file. Excessive late pick-ups may result in the camper's suspension from camp.

TRANSPORTATION

To enable us to serve as many campers as possible, we provide bus transportation for a limited number of campers to selected camps. Preregistration is required. **Please check out the transportation availability for your specific camp.** Please be sure you are aware of any policies or restrictions.

For those campers who take medication at camp, parents/guardians must drop off and retrieve from camp. Medication cannot accompany the camper with the exception of epi-pens and inhalers.

Please keep in mind that those using the bus services are unable to take advantage of before and after care. All children must be supervised by an adult at pick up and/or drop off points. Due to bus schedules, we are unable to wait for late pick-ups and drop-offs.

BUS RULES

The following applies to transportation to and from camp as well as field trips.

- Profane language, obscene gestures, excessive noise, fighting, wrestling, or other acts of physical or verbal aggression are unacceptable behaviors.
- Throwing things on, out of, or at a bus are unacceptable behaviors. Passengers are expected to keep their head, hands, feet, etc. inside the bus at all times. Anything that would create a safety hazard for the passengers or vehicle is unacceptable behavior.

SWIMMING POLICY

Staff members always accompany and supervise campers at swimming sites. Staff members review all of the rules of the lake, pool, or ocean before swimming. Staff/camper ratios are maintained. **Staff members ensure that a buddy system is in place at all times during swimming activities.** Head counts are taken on a regular basis. During all recreational swimming activities, a certified lifeguard is present. Group counselors provide additional supervision; some counselors may swim with their group. If you do not want your camper to swim for any reason, please notify staff in writing.

Campers must complete a swim test on the first day of camp and will be classified as:

Red: non-swimmer/beginner; could not complete the yellow test or refused swim test; will wear a camp-provided floatation device when swimming and will remain in shallow water.

Yellow: shallow water swimmer; can swim half the length of the pool with face in the water; tread water/float on back for 30 seconds; no floatation device required to swim and remain in shallow water.

Campers are welcome to retest each week.

TV/MOVIES AT CAMP

On rainy days, campers occasionally have the opportunity to watch a feature length G rated movie, or elementary level educational programming. If there is a movie you do not want your camper to see, please inform the camp director and they will carry out your request.

VISITOR POLICY

All visitors must check in and obtain a visitor's pass to camp and be accompanied by a camp staff member at all times when on camp property. Please check with the camp director for check in location or any additional requirements.

ELECTRONIC DEVICE POLICY

At the Granite YMCA camps, we offer a sufficient amount of activities and opportunities to keep your camper busy throughout the day. Therefore, we kindly ask that electronics do not come to camp with your camper.

Communication between a parent/guardian and their camper should go through the proper channels of the camp office. However, we recognize that the needs of families vary, and that you may choose to send your camper with an electronic device, such as a cell phone. If that is the case, please connect with your Camp Director to provide written permission.

The Granite YMCA and its camps and programs are not responsible for lost, stolen or damaged items, and they should be stored away in the camper's belongings and not used during their duration of the camp day.

Any use of electronics, whether it is at camp, on a bus, or at a destination, is **not permitted** unless permission is granted by the Camp Director. Additionally, the use of electronics in any camp condition is subject to the rules and expectations as listed in the Camper Success and Safety Policy.

TEEN PROGRAMS AT THE GRANITE YMCA

Teen Trip schedules can be found online or at the Welcome Center. Note that some trips may leave earlier or arrive later than normal camp hours. Times will be posted on teen trip schedule. Trip destination may change unexpectedly due to unforeseen circumstances. Notifications will be provided via designated form of communication by camp or trip director or upon check-in.

Levels are chosen initially by the camper's parent(s)/guardian(s). However, teen trip staff reserve the right to move a camper to Level 1 as deemed necessary.

LEVEL 1

Level 1 is defined as campers that will travel as a group with Teen Trip staff.

Level 2 is defined as campers whose parent/guardian(s) feel they are responsible enough to travel in a group of at least three without **direct** staff supervision. Campers entering Grade 7 and up are eligible for this level with parent/guardian permission. These campers will be given check-in times throughout the day. Please note, this option may not be available on every trip.
