

# EARLY LEARNING CENTER FAMILY REFERRAL FORM

We appreciate the trust and confidence that you place in us each day. When you spread confidence in our Early Learning Center Programs through referrals to other parents and guardians, you will receive **1 WEEK OF FREE CARE** for your oldest child in The Granite YMCA Child Care Programs. Here is how it works:

1. Complete the Child Care Referral Form and give it to your director. We take care of the rest!
2. After the new family has enrolled in select Early Learning Center Programs and stays for at least two weeks, you'll receive a week's free tuition for your oldest child.
3. You can refer as many families as you'd like to earn more. Every time a child is enrolled as a result of your recommendation, you'll get **1 WEEK OF FREE CARE** for the 2023 - 2024 school year!
