EARLY LEARNING CENTER FAMILY REFERRAL GUIDELINES

2023 – 2024 SCHOOL YEAR

Thank you for being a part of our YMCA Child Care community. We recognize that many of our new child care enrollments originate from enrolled participants in our programs. Because of you, new families are joining our community!

The YMCA referral program for existing participants promotes that the referring family will receive 1 free week of care. These are the qualifying guidelines used to determine what the value of the week referral will be:

1. The credit provided will be for the value of the oldest enrolled child's regularly program of care.
2. If there is a balance due on the referring parent's/guardian's account, the referral fee will be applied to this balance first, with any remaining amount toward the next billing cycle.
3. The referring fee will be processed after the newly referred participant has been enrolled and paid in full for 2 weeks of program fees.
4. This promotion only applies to The Granite YMCA's Early Learning Center programs at the YMCA of Downtown Manchester, YMCA of Greater Londonderry, YMCA of Strafford County, and The Granite YMCA of Somersworth.
5. YMCA staff members referring new participants will be subject to HR and supervisor review before credits are applied.
